

**RE: Recent change of name from Virgin Technologies Inc., to Hyperlink Inc.**

For Immediate Release | Hyperlink Vendors

December 1<sup>st</sup>, 2018

We are pleased to announce that we have officially completed our re-branding strategy. Going forward, our public business name will now exclusively be Hyperlink. The move is part of our continued growth and evolution as we expand our footprint in North America and beyond.

Please note that we continue to own and operate Virgin Technologies Inc., ((along with Virgin Technologies (USA) Inc.)) as legal business entities, so therefore any vendors, suppliers, MSAs and so on all remain valid and there is no action required on your part. That said, it may be necessary to update your spam and/or junk filters to ensure our new email addresses get to you.

If you have any questions or concerns please do not hesitate to get in touch.
